## *During this Heat Wave, Chill Out and Have a Blast at any of Jersey City's Cooling Sites for Residents*

**JERSEY CITY** – Mayor Jerramiah T. Healy and the Jersey City Office of Emergency Management (OEM) announce sites throughout the city for residents to beat the heat **tomorrow, June 20<sup>th</sup> and Thursday, June 21<sup>st</sup>** when temperatures are expected to exceed 90 degrees Fahrenheit (90 °F).

All residents, especially the elderly, disabled people, pregnant women and children under the age of two are encouraged to stay indoors or take advantage of the facilities if necessary.

“We hope to keep all of our residents healthy and cool during this hot summer,” said **Mayor Healy**. “It is not just the heat, but the humidity that can take its toll. We are hoping those Jersey City residents in need of air conditioning will take advantage of the cooling sites we have set up and conserve water wherever possible.”

The following sites will be open to the Jersey City community at large, as well as seniors who don't have access to air conditioning. The locations and time schedule are as follows:

- **Five Corners Library, 678 Newark Avenue**  
Hours: Monday, 12Noon-8 PM; Tuesday through Thursday, 10AM-6 PM; Friday, 9AM -5 PM; and Saturday 10AM- 2PM

During this Heat Wave, **United Water** is urging residents that effective today customers should voluntarily cut back on their use of water. All users are urged to curtail watering of lawns and if they must do so to restrict watering between the hours of 7:00 p.m. – 10:00 p.m. At the present time, this is a voluntary restriction that may become mandatory as the heat spell continues.

The **Jersey City Office of Emergency Management (OEM)** has issued the following tips for staying cool during this heat wave:

- Remain indoors (preferably in air conditioned space) as much as possible
- Wear lightweight, light colored and loose fitting clothing
- Keep hydrated by consuming plenty of water and natural juices and avoid beverages with alcohol and caffeine which increase dehydration
- Eat light meals
- Refrain from strenuous activities
- Recognize the symptoms of heat disorders

To protect others from heat exhaustion, residents are urged to check on elderly neighbors and those with disabilities. Apply sunscreen with a high SPF content to small children to avoid overexposure to the sun. Never leave children or pets in closed vehicles where temperatures could exceed 190 degrees in less than ten minutes, and provide shade and cool water to pets.
