Health Clinic and WIC Program to Resume at the HUB

JERSEYCITY – Mayor Jerramiah T. Healy and officials from the Office of Emergency Management announced today the restoration of the immunization clinic and WIC program at the HUB location .

(In the week since Hurricane Sandy landed on Jersey City and tore through the eastern seaboard, some city services had been disrupted. Today, after electricity was restored to the HUB, Extra Market at MLK Drive and Ege Avenue) certain services have gone back on line.

The Immunization Clinic, located at 360 MLK Drive, is staffed to immunize children in accordance with the clinic schedule in place prior to the disruption of service. Flu shots are also being offered to seniors Wednesday through Friday, November 7-9, from 11 am to 2 pm.

Flu shots are also being offered to seniors Wednesday and Friday, (November 14th and 16th) at the Connors Senior Center, 28 Paterson Street, 9a.m. to 12 noon.

Additionally, the WIC Program, located at 384 MLK Drive, resumed full operations today and is receiving clients. ///
